

ESTIMATOR

ERMCO's estimators are some of the first people involved in our projects. You are working side-by-side with a team of experts to secure work throughout Central Indiana and the country. As an estimator, you are critical to ERMCO's success and at the forefront of building notable projects that range from professional sports stadiums and hospital campuses to megawatt data centers and national distribution facilities.

IF YOU ARE:

- ◆ Organized, careful and neat - accuracy is critical.
- ◆ Open-minded, willing to adapt and take advantage of new products and new technology – ERMCO uses Accubid and LiveCount to produce the best estimates in our industry.
- ◆ Decisive - being able to make decisions and not be intimidated by details is key in the fast-paced world of estimating.
- ◆ Patient - the ability to work with many different people and personalities is highly important to completing estimates.

AND YOU:

- ◆ Like variety – ERMCO performs all types of projects that vary greatly in size, scope and market.
- ◆ Work collaboratively – ERMCO's estimating team often works together to tackle large projects in the most efficient manner.
- ◆ Communicate effectively – with customers, clients, team members and vendors.
- ◆ Want to work for an industry leader – ERMCO is a top 50 electrical contractor in the United States.
